

2020 CHICAGO CROP HUNGER WALK

HUNGER IS EVERYWHERE ... SO IS THE 2020 CHICAGO CROP HUNGER WALK!

38TH WALK - VIRTUAL CELEBRATION

A large crowd of people is walking along a paved path that curves through a green, wooded area. Many participants are wearing white t-shirts, some with logos. The crowd is dense and extends far into the distance. The scene is bright and sunny, suggesting a pleasant day for the walk.

50 years of walking. 50 years of ending hunger together.
Join this legacy to step out for the next generation.

YOUR STEPS MATTER

The need is great

- **832 million people in the world are hungry**
 - ... the pandemic is expected to increase that by 132 million
 - ... adding to the 14 million children under the age of five suffering from severe acute malnutrition
- **46.5 million Americans are hungry**
 - ... effects of the Corona virus may push that to 54 million
 - ... including 18M children
- **Over 812,100 people in Chicago rely on help from food pantries**

We walk to raise awareness

We walk to raise funds

We walk to address the root causes of hunger at home and abroad

WE WALK ... TO FUND GLOBAL PROGRAMS

CWS/CROP Walk's roots are in feeding the hungry. Our future is in ensuring sustainable access to proper, nutritious food.

How?!

A community garden? Training on feeding infants healthy food? The truth is, no single effort will eradicate hunger. In some areas, agricultural solutions can help families grow healthier food. Yet in reality most of the world's poor buy their food, which prompts us to look deeper at the root causes of hunger. Sometimes a clean water source will help. Other times discrimination blocks access to employment, meaning a small business grant or loan in the short term can help a whole family eat for years.

- **ADVOCACY**

Addressing the policies and prejudices that keep the world's vulnerable in poverty

- **EMERGENCIES**

Providing immediate and long term help in crises

- Disaster Preparedness
- Immediate Response
- Long-Term Recovery

- **GLOBAL DEVELOPMENT**

Helping communities to access to food, water and address other challenges

- Community Development
- Food Security
- Water
- Women & Children

- **REFUGEES AND IMMIGRANTS**

Accompanying those who are searching for a safer, more secure home

WE WALK ... TO SUPPORT LOCAL AGENCIES

A Just Harvest – <http://www.ajustharvest.org>

A Just Harvest is **a resource to people in need 365 days a year**. In 2007, prior to the recession, they served 39,439 meals and distributed 100,000 pounds of food. Last year, they served over 54,000 meals. **Their Community Kitchen is the largest and only self-standing community soup kitchen in the Chicago metro area.** It serves hot, nutritious meals to anyone in need and hosts **the Greater Chicago Food Depository's Producemobile**, which **distributes several thousand pounds of fruit and vegetables to more than 200 families**. In addition to feeding hungry people, **A Just Harvest feeds our common hunger for hope, for fellowship, and for community. It feeds people's hunger to serve, to improve our communities, to be creative, and to be powerful agents for justice.** A Just Harvest recently made a **commitment to addressing the root causes of hunger and poverty** – via [Northside P.O.W.E.R.'s community organizing](#) and [The Genesis Project's economic development initiatives](#) – while continuing to meet people's immediate need for food.

The Episcopal Hunger Committee – <http://www.episcopalchicago.org/at-work-in-the-world/hunger>

The Episcopal Hunger Committee distributes grants to hunger ministries affiliated with our diocese's congregations in Chicago: **food pantries, hot meal programs, and similar food ministries**. Examples of the programs they support include the Church of the Advent Saturday Lunch Program, Ravenswood Community Services, and St. James Cathedral Just Meals Ministry.

WE WALK ... TO SUPPORT LOCAL AGENCIES

Lakeview Pantry – <http://www.lakeviewpantry.org>

Lakeview Pantry’s main “business” is distributing food to neighbors in need. The Pantry distributed more than 1.6 million pounds of food in 2016 through its two service sites and Home Delivery program and recently expanded its services boundaries northward, given the great need and lack of resources in the Uptown neighborhood. Their Social Services program provides case management, client-centered events and a newly launched mental health counseling program. **During the pandemic, Lakeview had a 900% increase in new client applications.**

Second Presbyterian Church of Chicago – <http://www.2ndpresbyterian.org>

The Lunch Bag Program at Second Presbyterian serves lunches to approximately 70 people each day, Tuesday through Friday, or over 14,000 lunches each year. Their guests include both homeless, as well as individuals and families struggling to make ends meet. Located in the South Loop, the Second Presbyterian Church of Chicago is a multi-cultural community of faith, celebrating its 178th anniversary this year.

WE WALK ... TO SUPPORT LOCAL AGENCIES

South Loop Campus Ministry – <http://southloopcampusministry.org>

The South Loop Campus Ministry helps students explore their own faith and their own spirituality. As they explore and grow into their own faith, students seek connection with traditions that stretch beyond their own, immediate experience. Each month students and friends of South Loop Campus Ministry prepare and serve a community meal; volunteers **donate and/or serve food and enjoy a meal with our homeless brothers and sisters.** Then on Sundays, they prepare 60 meals and ***take it to the streets to deliver sandwiches to their homeless friends in the South Loop.***
