**Thank you for helping us celebrate
our 40th annual Chicago Walk!**

You, symbolizing the walk of the poor, spread awareness about hunger, while fundraising for Church World Service (CWS) and five local hunger and poverty relief agencies. One in eight people in our world have constant hunger, especially developing countries. One in eight in Cook County have food insecurity.

Please turn in remaining donations to Treasurer Charles Gunn by November 30th. Instructions and report forms at: chicagocropwalk.org. Mail checks only.

2 ROUTES, SAME GREAT CAUSE!

As you take in the sights of the day:

- Walk only on designated sidewalks
- Obey traffic signals
- Place trash in receptacles
- Please refill water bottles on-route
- Let others know about CROP Walk goals
- Call 312-927-8563 with emergencies
- Help end hunger one step at a time! ~ Wave pom-poms and cheer for CROP!

There are two routes: the 5K & the 1M. The 5K is a rectangle with Taylor on the south, Paulina on the west, Harrison on the north, and Halsted on the east. The 1M goes the same route as the 5K until Harrison and Ashland, when it turns south on Ashland and returns to the church, marked by the blue-colored arrows. All walkers should stay on the sidewalk along the right side of the street (going with traffic), except after the step-off when we all leave the church and head north on Ashland Ave. crossing Taylor and then turning left (west). The halfway point is the UIC Student Center, marked on the map with an ☒, with a rest area, bathrooms, and water fountains.
